

REAL ESTATE

Thinking of Buying or Selling Real Estate?

As our client we provide you...

Full property exposure to the market, not limited to one broker or just those in the office. Generous market exposure gives better results.

Our best work by intently listening to you first then taking proactive action to accomplish your goals.

Current knowledge of the changing real estate market, news, and comparable values.

Comprehensive and specific marketing plans for selling your real estate

"We Provide You Complete Real Estate Services To Buy And Sell Property"

THE REAL VANTAGE

Millennium Progressive Vantage believes that the best way to market a property is by using a broker. As Colorado Licensed Real Estate brokers we are uniquely qualified to communicate, research, analyze, identify, present, and negotiate commercial and residential real estate deals on behalf of our clients.

Gregory K. Crowell

Theodore M. Crowell

When Millennium Progressive Vantage markets your properties, Numerous local, state, national and global brokers will see it on Multiple List Systems and Property Exchanges. Customers with the Internet will be able to access our listed properties on many various public real estate web sites.
